ANNOUNCEMENTS

PRELUDE

*CALL TO WORSHIP (Responsively)

L: We remember the conviction of Martin Luther King, Jr. that
"freedom is never voluntarily given by the oppressor. It must
be demanded by the oppressed."

**P: We remember Martin's warning that "a negative peace
which is the absence of tension" is less than "a positive
peace which is the presence of justice."**

L: We remember Martin's insight that "injustice anywhere is a
threat to justice everywhere. We are caught in an inescapable
network of mutuality tied in a single garment of destiny. What-
ever affects one directly affects all indirectly."

**P: We remember Martin's "hope that dark clouds of racial
prejudice will soon pass away and the deep fog of mis-
understanding will be lifted from our fear-drenched
communities and in some not too distant tomorrow the
radiant stars of love and brotherhood will shine over
our great nation with all their scintillating beauty."**
